

New company in Croatia

July 25, 2017 - EMS-Fehn-Group has founded a new company in Croatia. „With EMS Shipping & Logistics Agency we expand our presence in the Balkans“, says EMS-Fehn-Group CEO Manfred Müller. With a port terminal operator and a logistics company in Albania and a logistics company in Macedonia EMS-Fehn-Group has already a strong market presence in the region. „We’ve studied the market in

Croatia and the neighbouring countries closely for some time now and see a substantial demand for high quality services in all areas we as EMS-Fehn-Group are especially good in.“

EMS SLA will offer the complete portfolio of EMS-Fehn-Group. „With the knowhow and the experience of 20 sister companies behind them our colleagues from EMS SLA will be able to offer a wide range of services,“ adds Manfred Müller. „If for example a large logistics project comes up they can rely on the support by EMS Log, our experts for special transports. We have just recently demonstrated how well the cooperation between our companies works in a project involving EMS Log and our Albanian logistics company GALA (for more details please click [here](#)).“
